DISTRIBUTED: April 1, 2016

---

*This report has been prepared to satisfy a statutory obligation the Maine Department of Environmental Protection has to inform the public of certain enforcement resolutions. Please contact Ronald Mongeon at (207) 287-7740 or [ronald.mongeon@maine.gov](mailto:ronald.mongeon@maine.gov) for additional information regarding the activities listed in this report.*

---

The following cases were resolved to achieve compliance with the law; remediate environmental damage; restore natural resources to appropriate conditions; and impose penalties to deter similar actions in the future.

#### **Consent Agreements Approved by the Commissioner and Office of the Attorney General (party followed by location):**

##### *Asbestos:*

**Atlantic Environmental Contractors, Inc., Bucksport, Maine.** Atlantic Environmental Contractors, Inc. ("AEC") is a corporation that is duly organized and existing under the laws of Maine and a licensed asbestos abatement contractor. While operating at a property on River Road in Bucksport, Department of Environmental Protection staff, while performing a routine on-site compliance inspection, observed that AEC personnel exited a regulated area through the decontamination facility without first utilizing the decontamination shower prior to entering a clean room. In failing to require personnel to use the decontamination shower after exiting a regulated area and prior to entering a clean room, AEC violated *Asbestos Management Regulations*, 06-096 C.M.R. ch. 425, §(7)(A)(14)(a). To resolve the violations, AEC agreed to pay a civil monetary penalty of one thousand five hundred dollars (\$1,500.00).

**EnviroVantage, Inc., Kittery, Maine.** Atlantic EnviroVantage, Inc. ("EnviroVantage") is a corporation that is duly organized and existing under the laws of New Hampshire and a licensed asbestos abatement contractor. While operating at a property on Cutts Road in Kittery, Department of Environmental Protection staff, while performing a routine on-site compliance inspection, observed that EnviroVantage personnel exited a regulated area through the decontamination facility without first utilizing the decontamination shower prior to entering a clean room. In failing to require personnel to use the decontamination shower after exiting a regulated area and prior to entering a clean room, EnviroVantage violated *Asbestos Management Regulations*, 06-096 C.M.R. ch. 425, §(7)(A)(14)(a). To resolve the violations, EnviroVantage agreed to pay a civil monetary penalty of two thousand dollars (\$2,000.00).
